Battle Nail Beast Generator Games Battleclaw Beast Generator Games Battle Nail: Beast Generator is an original Mattel Chinese IP intended for international consumption. This collectible card game with natural game enhancements features an accompanying animated series, making Battle Claw an innovative property that engages audiences through multiple platforms. F84 was commissioned by Mattel to bring this international IP to the eastern public in its first American iteration through a digital extension with a highly interactive HTML5 RPG game. Battle Claw: Beast Generator presents characters and physical game rules with passive play in order to educate users their further understanding of MATTEL IP. Back to games games
